

GOVERNMENT OF TELANGANA
ABSTRACT

Environment, Forests, Science & Technology Department – Constitution of Committee on Industrial Effluent Management as well as Restoration of polluted river stretches - Orders – Issued.

ENVIRONMENT, FORESTS, SCIENCE & TECHNOLOGY (FOR.III) DEPARTMENT

G.O.Rt.No. 118

Dated: 30-07-2018
Read the following:-

Ref: From the M.S., TSPCB, Hyd., Lr.No.616 /TSPCB
/LAB/NRCP/DCP/2017-226, dated: 25.4.2018.

ORDER :-

The Telangana State Pollution Control Board (TSPCB) in their letter read above, has informed that, in the process of preparation of Action Plan for the identified Polluted River Stretches for each State, the State Pollution Control Board (SPCB) have presented the Action Plan to the Central Pollution Control Board(CPCB), Delhi on 8.1.2018 in the workshop conducted by the CPCB in Delhi. The SPCB have also reported that, the CPCB in their mail dated: 9.2.2018, and 23.3.2018 while forwarding the minutes of the workshop and framework for constitution of the committees on preparation of action plan for execution, monitoring and development of requisite infrastructure for management of Industrial Effluents as well as for " Restoration of Polluted River Stretches".

2. Accordingly, the Telangana State Pollution Control Board (TSPCB) has proposed for constitution of committee on preparation of action plan for execution, monitoring and development of requisite infrastructure for management of Industrial Effluent management for " Restoration of Polluted River Stretches"

3. Government after careful consideration of the proposal of the Telangana State Pollution Control Board, hereby constitute the " Committee on Effluent Management" with the following members:

1.	Chairman, SPCB	Chairman
2.	Spl. Chief Secretary/Principal Secretary, Secretary, Environment Department in the State Government	Deputy Chairman
3.	Member Secretary, SPCB	Member
4.	Member Secretary, CPCB	Member
5.	Senior Most Technical Officer, SPCB (dealing with the Subject) - Chief Engineer – PCB	Member Convener
6.	Concerned Regional Director of CPCB	Co-Convener
7.	Representative of WQM-I Div. CPCB, Delhi	Co-Convener

P.T.O

:2:

4. Tenure of the committee:

The term of the Committee shall be for a period of five years and subsequently the tenure will be extended and the frequency of the meeting be quarterly based.

5. The Terms of the committee are as follows:

- i) Over view of water quality of rivers and identification of all polluted rivers and stretches;
- ii) Inventory of sources of industrial effluent generating from industrial clusters and the quantum of industrial effluent generation from different industrial sources;
- iii) Assessment of existing industrial effluent treatment infrastructure and its capacity;
- iv) Gap analysis of industrial effluent generation and its existing treatment and requirement of additional treatment capacity in the form of CETP (industrial cluster-wise) keeping in view at least for next 10-15 years;
- v) Preparation of road map for development of requisite and adequate infrastructure for industrial effluent management by adopting State-of the Art –Technologies for ensuring compliance to the influent CETP standards notified under the Environment (Protection) Act, 1986 prior to discharge from the industry premises;
- vi) Assessment of alternate use of treated industrial effluent for different purposes which include road constructions and maintenance, for industrial cooling, gardening maintenance and development in cities and towns wherever feasible;
- vii) Identification of different executing authorities (RO, SPCB/SIDCs) responsible for co-ordination and execution of issues with the concerned agencies within their jurisdiction and in the given time frame;
- viii) Mobilizing and monitoring of the progress on the action plan by the executing agencies within the given time frame;
- ix) Review of action taken or progress on quarterly frequency;
- x) Formulation of reporting format on the progress overview (quarterly and over the years) and its submission to the Central Committee.
